International Surgery

Volume 60, January-November-December, 1975

This index consists of two parts: a subject index and an author and title index. EDITORIALS and reviews from BOOKS FOR THE SURGEON appear under those headings. The author index includes the title of the article under the principle author; also, reference is made according to the names of co-authors. Authors of LETTERS TO THE EDITOR are indexed in the author index.

Breast
Benign breast disease and cancer **456**
Burn Treatment
Hypertonic balanced sodium solution in burn shock **348**
Silver sulfadiazine for control of burn wound infections **275**

C

Carcinoma
Benign breast disease and cancer **456**
Bilateral asynchronous primary carcinoma of the ureter **416**
Carcinoma of the cheek and gingivae **472**
Carcinoma of the esophagus: treatments and their immediate results **584**
Carcinoma of the stomach **270**
Cutaneous metastases from carcinoma of the urinary bladder **170**
Epidermoid cyst of the testicle **231**
Evaluation of oral, pharyngeal, laryngeal and esophageal cancer risk in reverse smokers of chuttas **266**
Ewing's tumor: review of 73 cases **478**
Fifty years of cancer surgery of the large intestine at Osaka University Hospital **390**
Fractionated cystography to assess infiltration of the bladder wall by intravesical tumors **273**
Giant cell tumor of the proximal phalanx of the left fifth finger **303**
Giant mixed submandibular salivary tumors **495**
Giant retroperitoneal liposarcoma in the vicinity of the right kidney **489**
Giant teratomas with benign glial abdominal seeding, mimicking diffuse abdominal carcinomatosis **461**
Grape-like leiomyomas of the uterus **238**
Immediate reconstruction of the hard palate following maxillectomy for carcinoma **477**
Improved surgical treatment of cancer of the lower lip **204**
Intestinal leiomyosarcoma simulating malignant ovarian neoplasm **237**
Major abdominal surgery in leukemic patients **611**
Malignant carotid body tumor **428**
Multiple primary carcinoma of the bowel **426**
Pattern of secondary adrenal tumors in Ibadan, Nigeria **368**
Prevalence of carcinoma of the penis with special reference to India **474**
Primary angiosarcoma of the liver: review article **198**
Primary cerebral neoplasia in Rhodesia **286**
Primary multicentric triple malignancy of the female genital tract **549**
Primary rhabdomyoma of the lung **229**
Prostatic malignancy in India **482**
Prostatic tumors in Iran **405**
Radical excision and reconstruction in advanced maxillofacial carcinomas **223**
Renal cell carcinoma presenting as systemic hypertension of sudden onset **491**
Renal vein and inferior vena cava thrombosis in malignant mucocele of the appendix: differential diagnosis by phlebography and inferior cavography **589**
Reticulum cell sarcoma in the course of Sjögren's syndrome **423**
Solitary mesothelioma of the small intestine **366**
Subacute thyroiditis associated with lymphosarcoma of the thyroid **172**
Surgical results for early gastric carcinoma: additional report **139**
Surgical treatment of 150 cases of squamous cell carcinoma of the mouth **546**
Thyroid carcinoma: correlation between clinical and pathological findings **536**
Thyroid nodules and thyroid carcinoma **534**
The "turban" nevoid basal cell syndrome: current management with surgery, chemotherapy and immunotherapy **493**
Cardiovascular
Arteriovenous intestinal communications in shock: experimental study using tagged microspheres **206**
Blood coagulation studies in children with surface hemangiomas **524**
Carotid endarterectomy utilizing the exclusion clamp **105**
Constrictive pericarditis and its surgical management **210**
Etiology of venous disorders **540**
Evolution of the femorotibial bypass graft **603**
Hematoma of the iliacus muscle with femoral palsy **359**
Histopathology and bacteriology of post-infusion phlebitis **341**
Organized hematoma of the neck simulating carotid body tumor **519**
Pulmonary resection in a patient with an implanted cardiac pacemaker **296**

Renal vein and inferior vena cava thrombosis in malignant mucocele of the appendix: differential diagnosis by phlebography and inferior cavography **589**
Surgery and prognosis of prehepatic portal hypertension **144**
Surgical treatment of livedo reticularis **44**

Colon & Rectal
Comparative study of African and Asian statistics of perforation of the terminal ileum: report of 75 cases **600**
Duhamel procedure in the treatment of acquired megacolon: late results **399**
Lateral subcutaneous internal sphincterotomy for anal fissure: technic and experience with 22 cases in children **215**
Megacolon surgery **402**
Multiple primary carcinoma of the bowel **426**
Rectal prolapse in Nigerian children **284**

D

Drug Abuse
Medical-surgical complications of drug abuse: detection and management **327**
Morphologic findings in the narcotic addict **331**
"Narcotic" lung **336**
Surgery and the opiate addict **334**

Bilateral Spigelian hernia **623**
16,069 inguinal herniorrhaphies using local anesthesia with one day hospitalization and unrestricted activity **37**
Spontaneous rupture of an incisional hernia **625**
Todd hernia repair **34**
Traumatic rupture of the right hemidiaphragm **108**

K

Kidney
Acute therapy in chronic renal failure: dialysis experience in Sudan **470**
Renal cell carcinoma presenting as systemic hypertension of sudden onset **491**
Renal vein and inferior vena cava thrombosis in malignant mucocele of the appendix: differential diagnosis by phlebography and inferior cavography **589**
Spontaneous rupture of an angiomyolipoma of the kidney **485**

L

Leprosy
Acute abdomen in a patient treated with Lamprene **208**

N

Neurosurgery
Infraorbital trigeminal neuralgia syndrome of traumatic origin: treatment by decompression **597**
Intramedullary abscess following transpharyngeal stab injury **298**
Lumbar discography in the diagnosis of herniated disks **6**
Lumbar stenosis **544**
Otoneurological problems in head injuries and their management **466**
Partial loss of function of the ulnar nerve resulting from a fracture of the medial humeral epicondyle in an adult **233**
Primary cerebral neoplasia in Rhodesia **286**
Recovery from severe brain stem dysfunction caused by acute intracranial hematoma **614**
Reoperative surgery on patients with spinal fusion in the lumbar region **29**
Subgaleal hematoma in head injuries **263**
Surgical removal of a hydatid cyst of the brain **292**
Surgical treatment of livedo reticularis **44**

O

Obstetrics & Gynecology
Acute nonpuerperal uterine inversion **559**
Amniocentesis: indications and complications **101**
Anterior abdominal wall endometriosis complicating a uteroabdominal sinus following classical cesarean section **103**
Current concepts of surgical geriatric gynecology **71**
Delayed small bowel perforation following laparoscopic tubal cauterization **560**

Lumbar discography in the diagnosis of herniated disks **6**
Lumbar stenosis **544**
Modified conservative treatment of club foot **278**
Partial loss of function of the ulnar nerve resulting from a fracture of the medial humeral epicondyle in an adult **233**
Recurrent subluxation of the patella **25**
Recurrent tumoral calcinosis **557**
Reimplantation of a nearly amputated upper limb **618**
Reoperative surgery on patients with spinal fusion in the lumbar region **29**
Stimulation of fracture healing by pacemaker in rabbits **294**
Surgery of rheumatoid arthritis (editorial) **5**
Total knee arthroplasty with the "L.L." prosthesis **18**

P

Parasitology
Primary echinococcus cyst of the internal oblique muscle **562**
Schistosomal appendicitis **616**
Surgical aspects of pulmonary hydatid disease and report of a familial hydatidosis **361**
Surgical removal of a hydatid cyst of the brain **292**

Pediatric
Blood coagulation studies in children with surface hemangiomas **524**
Clinical study of intersex states in Nigerian children **81**
Congenital dislocation of the knee joint **32**
Congenital mandibular myoblastoma **46**
Fracture of the shaft of the femur in children **282**
Lateral subcutaneous internal sphincterotomy for anal fissure: technic and experience with 22 cases in children **215**
Modified conservative treatment of club foot **278**
Operative management of typhoid perforation in children **407**
Rectal prolapse in Nigerian children **284**

Plastic & Reconstructive
Improved surgical treatment of cancer of the lower lip **204**
Immediate reconstruction of the hard palate following maxillectomy for carcinoma **477**
Negroid nose **554**
Radical excision and reconstruction in advanced maxillofacial carcinomas **223**
Reconstruction of the penoscrotal skin after avulsion **563**
Reimplantation of a nearly amputated upper limb **618**

R

Research & Experimental
Arteriovenous intestinal communications in shock: experimental study using tagged microspheres **206**
Clinical evaluation of metronidazole as an anti-inflammatory agent **75**
Contribution of the epiphyses of the greater trochanter to the growth of the femur **280**
Experimental heterotopic bone transplant **355**
Homograft of the small intestine: metabolic and functional changes causing irreversible shock **351**
Incidence and degree of hypoxemia after gynecological surgery **77**
Spirometry and the mechanisms of pulmonary complications following elective surgery **343**
Stimulation of fracture healing by pacemaker in rabbits **294**

S

Shock
Arteriovenous intestinal communications in shock: experimental study using tagged microspheres **206**
Homograft of the small intestine: metabolic and functional changes causing irreversible shock **351**
Hypertonic balanced sodium solution in burn shock **348**
Shock: strange interlude (editorial) **134**

Sjögren's Syndrome
Reticulum cell sarcoma in the course of Sjögren's syndrome **423**

Special Communication
Care of the severely injured in the emergency department **594**
Communication on surgical technic **626**
Current concepts of surgical geriatric gynecology **71**
Gabriele Fallopio **80**
Medical communication **265**
Pathogenesis of gastric and duodenal ulcers **556**

T

Trauma
Blunt abdominal injury to hollow viscera: clinical analysis of 42 cases **608**
Care of the severely injured in the emergency department **594**
Clinical study of Volkmann's ischemic contracture of the upper limb **162**
Fracture of the shaft of the femur in children **282**

HERNIA
ONE DAY REPAIR
by Joseph Gaster, M.D.

Surgical and anesthetic technics are described whereby patients can return to normal activity one day after surgery.

The improved procedure results in a stronger and safer repair, reducing recurrences and complications. Solutions are presented to problems met daily in surgery.

This book is profusely illustrated with detailed drawings and provides step-by-step guidance in the technics.

Order from: **Joseph Gaster, M.D.**
